4	Use the options below to goto the section (form) appropriate to your Tax Returns. HMRC will provide you with a paper copy of the form most appropriate to your circumstances, but the onus is on you to ensure that it is the correct form. As your business or personal circumstances might change over a period of time, the form sent to you is not necessarily the one that you should be filling in. The bottom line is that if you are in any doubt first check the form and notes sent to you - then contact your local HMRC office for advice and direction if still not certain. <b>NOTE HERE</b> that only the HMRC form selected from <b>Box E71</b> on the page 'Business Details' will be populated with trading figures for the 0809 trading year - ALL others will be ignored unless <b>SA800 (Short or Full)</b> is selected, in which case <b>SA104 (Short)</b> will also be part-populated with information from the <b>SA800</b> . Please note that <b>SA800 (Full)</b> is under development, although parts of <b>SA104 (Full)</b> will be populated from elements of <b>SA800 (Short)</b> .
